Pickens Write In Audit.rpt

This report lists the ballots in the audit data that contain potential improper votes. It lists all offices and candidates where there is a match where either the first name or the last name of any write in candidate matches any other candidate name for that same office. Ballot Count refers to the position of the ballot in the EL155 Vote Image Log Vote Record Line refers to the position of the individual vote record within the ballot record where a potential match was detected.

This report must be visually checked to determine if any of the potential improper votes shown are for the same person.

---

The audit data contains 286 total ballots cast.  
0 ballots contained write in votes: 0%.  
0 ballot(s) contained potential improper votes: 0%.
