Mayor and Council

I have enjoyed serving on the Town Council for the Town of Central and appreciate the citizens having enough faith in me to elect me to serve a great town. I have purchased a home outside of town limits and it is with a heavy heart that I am moving outside town limits and I am not eligible to serve as a Town Council Member and must resign my position as Council Member.

I have enjoyed serving with all of you. I have a lot of respect for all the elected officials and staff. You do a wonderful job and I only see great things in the future for Central. I hope I have made a positive difference. I wish all the best for the Town of Central. This is where I grew up and although I will no longer live in the town limits my heart will always be in Central.

Sincerely,
